USE OF DISTRICT WEB SITE

The Pewaukee Public Schools shall establish a web site and develop web pages that shall present information about the District. To facilitate communication, numerous official web pages may be created with a separate purpose and target audience. These may include:

- Web pages with general information about the District and specific schools for students, staff, parents, and the world at large.
- Curricular/Library media web pages intended to provide links to the Internet resources that tie to the Pewaukee curriculum.
- Web pages that provide general administrative information such as details on specific Board of Education actions, policies, and rules.
- School or class web pages designed to display student projects and talents or class information.
- Extracurricular organization web pages that provide information about the activity.
- Any other web page deemed valuable to the District.

The Superintendent shall assign a district staff member to serve as Webmaster. The Webmaster shall be responsible for overall site management.

The contents of the web pages must be consistent with applicable local, state, and federal laws and District policies. District web pages shall meet the same criteria established under the District’s Internet Acceptable Use policy. District web pages shall not contain or be linked to other web pages that do not meet the same criteria. All subject matter on District web pages must relate to curriculum, instruction, school-authorized activities, and offer District/school information that is appropriate and related to District/school needs. Therefore, neither staff nor students may publish personal home pages as part of the District web site, nor attach home pages for other individuals or organizations not directly affiliated with the District. Employees and students may not misrepresent the District by creating, or posting any content to, any personal or non-authorized website that purports to be an official/authorized website of the District. No employee may purport to speak on behalf of the District through any personal or other non-authorized website.

The District's electronic systems, including its web site and web pages, are provided on an "as is, as available" basis. The Pewaukee School District makes no warranties, either expressed or implied, including, without limitation, those of merchantability and fitness for a particular purpose with respect to any services provided by the system and any information or software contained therein. The District may take disciplinary action as deemed necessary for web management. The District does not warrant that the functions or services performed by, or that the information or software contained on the system shall meet the system user's requirements, or that the system shall be uninterrupted or error-free, or that defects shall be corrected. Opinions, advice, services, and all other information expressed by system users, information providers, service providers, or other third-party individuals in the systems are those of the individual or entity and not the District. The District shall cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of the District's electronic communications system.

The Pewaukee Public School District is committed to a policy of equal opportunity and non-discrimination in the educational programs and activities it operates and in related employment practices. No one may be denied admission to any public school or be denied participation in, be denied benefits of or be discriminated against in any curricular, extracurricular, pupil services, recreational or other program or activity because of sex; race; color; religion; national origin; ancestry; creed; pregnancy; marital or parental status; sexual orientation; gender identity; physical, mental, emotional or learning disability; or any other characteristic protected by law.
