

Board Briefs

At the November 14, 2016 Board of Education meeting...

- **SPOTLIGHT ON LEARNING – ASA CLARK MIDDLE SCHOOL** – Board members saw the Robotics program in action. Students and teachers shared the evolution of the Robotics Program and how it sparks interest for middle level learners. This learning has successfully carried over to active participation by students in high school and beyond.
- Approved the check registers and financial report.
- Mike Cady, Danielle Bosanec, and a team of teachers presented the 2017-18 New Course Considerations. The proposed courses were: Advanced Placement Computer Science Principles and Exploring Computer Science II / Pewaukee High School; English Language Arts / Pewaukee High School; Insight / Health Occupations / Bio-Medical Project Lead The Way (PLTW); and Middle School Yearbook / Asa Clark Middle School.
- The Board discussed participating in the Pewaukee Scholarship Fund again this year.
- The meeting adjourned into closed session at 8:15 p.m.
