At the September 25, 2017 Board of Education meeting...

- **SPOTLIGHT ON LEARNING** - Marty Van Hulle introduced three foreign exchange students that are attending Pewaukee High School. You can read a bit about each of them below.

Stella Turner- Stella is from Germany and she is staying with the Schaefer family (Ashlyn, Lauren, Madison '15). Stella is participating in the tennis team this fall and has expressed interest in track and field this spring. In Germany, Stella is very involved in theater and music with a focus on violin and piano. Stella is very excited to see what an American high school is all about. Her English is very good. Fun fact, Mr. Schaefer's family was childhood pen pals with Stella's grandfather. The families have stayed in contact into this third generation. Stella is here with NorthWest Student Exchange.

Eugenio Ciapi (pronounced eye-u-jennio)- Eugenio is from Rome, Italy. He is staying with the Dankert family (Sydeny & Cassidy '17). Eugenio describes himself as "a typical teenager who has atypical interests." He prefers basketball over soccer-very out of the norm for an Italian male. And, he loves magic tricks. Eugenio is participating in football this fall. Eugenio is here with AFS.

Brooke Bruce Smith- Brooke is from the east coast of Australia, about half way up the coast. She will be at PHS for the first semester. Brooke is staying with the Moe family (younger students in Pewaukee School District). Brooke hasn't gotten involved in anything yet this fall but she is considering several opportunities. Brooke comes from a large family and most of them have or will do an experience abroad. She is most excited to experience snow. Brooke is with the asse program.

- John Gahan shared a third Friday report. The total student headcount is 2983; the estimated full time equivalency resident count is 2742.
- The meeting adjourned at 8:18 p.m.
